

NEW! WEB-BASED Harassment Training

Shedding Light on a Dark Subject: Uncovering Harassment in the Workplace

Harassment tends to be a subject best avoided, *until suddenly, it can't be.*

Put your employees on the case with Xenium's Sexual and Workplace Harassment Training. This two-hour interactive course walks the participant through a harassment investigation, delivering the practical skills necessary to identify, manage and prevent unlawful harassment in the workplace.

Ideal for everyone from executives to new hires, this course was developed by Xenium's HR professionals to lay out the facts and encourage a dialogue around this threat to a culture of respect in the workplace.

Learning Objectives:

- Review the EEOC definitions of unlawful harassment
- Illustrate examples of conduct that constitute unlawful harassment, discrimination and retaliation
- Understand employer obligations for responding to and investigating complaints
- Identify strategies to prevent workplace harassment and retaliation

This session is ideal for:

- All Employees
- Executives
- Experienced Managers
- Human Resource Professionals
- New Employees
- New Leaders & Managers
